The Birth

The Lord's Spirit of faith attended a Christian Conference where thousands gathered together to hear the word of the Lord. As the possibility, a woman approached her and asked if her name was Rita Felix, her immediate response was "Yes." The pastor by saying, "I was sent here by the Lord to give you a word." In the distance Rita saw a large white dove placed in the largest vase to go the private place, in order the tree to hear what God has to say. As the word was being spoken, it is this ongoing movement in the branches and the leaves, as the crown of order the office, the presence of the Holy Spirit as a word of prophesy was spoken from the heart of the Father declaring God's plan, design and identity for the world and world spoken from Isaiah 41. As Rita turned to see the direction of the word the woman who spoke the word was gone.

Vision Statement

Our vision is to see the Kingdom of God here on earth for the building up of the saints and to see the righteous live.

Mission Statement

The mission of Genesis Upper Room Church International is to preach the gospel to the poor, to heal the brokenhearted, to proclaim liberty to the captives and the opening of the prison to those who are bound, to proclaim the acceptable year of the Lord, to make and enjoy the true and ministry gifts, to make up and equip spiritual warriors, teachers and laborers, to support the mission field financially and prayerfully, and to obey every command and directive of the Lord Jesus Christ.

Statement of Faith

We believe the word of God, is infallible and all authoritative without error written by men under the inspiration of the Holy Spirit for the saving soul to eternal salvation. The creator of heaven and earth and everything that exists. One God infinite, eternal, omnipresent and eternal who sovereignly rule in love. The Father, the Son, Jesus Christ, and the Holy Spirit. They coexist, are coeternal and coequal. The Son of God, being God himself, was conceived by the Holy Spirit, born of the Virgin Mary, and was without sin. He became man of humanity through His death on the cross. He rose from the grave, initiated in many and then ascended into heaven, right hand of God the Father, and will return to earth in mystery, power and glory. He will send to comfort the world of sin, righteousness and judgment. To show humanity who Jesus died within the life of a man to walk in the faith of God with sanctification and righteousness. The word of the Holy Spirit, wisdom, knowledge, discernment of spirits, faith, working of miracles, tongues and the power of tongues all operate through God the Holy Spirit, and one for the church today. The Holy Spirit is sanctified and can only come through the shed blood and grace of Jesus Christ the Son of God. By repentance of sin to Him, we are reconciled unto God. His spirit is born again into eternal salvation by the Holy Spirit. "Bride" and the "Bride of Christ", who has been commissioned to preach the gospel to every nation, beginning there in the Holy Spirit and God the Holy Spirit send to make disciples of them.

* At the end of the sign and in all things fulfilled God's plan for the glory of Jesus Christ, the resurrection of the dead, and the transfiguration of those who believe in Christ into the Presence of God for eternity.

FOUNDER – PATRICIA CARTER

Patricia Carter knew her calling, she wanted to provide food for the poor and spread the love of Christ to her local community. She has committed her life to help the people around her. Her mission was to gather the churches together as she supports the spirit of the Lord. She wants to edify the body of Christ by distributing food to the poor, providing clothes to the needy, counsel the people who are broken.

She knew Home At Sunset is the ministry she was created and pursue. At it's core. Home At Sunset is a ministry she desired to have a family-like atmosphere as she believes that we are all brothers and sisters of the Lord.

Her day is consisted of constant prayer as she is in the Lord's hand on her ministry to gather food to the nations.

She sees the fruits of her ministry from her past such as giving out toys to Tri-Valley, Oakland, and Jose. She has been having tremendous results with churches partnering with Home At Sunset and supporting her cause.

Home at Sunset is not just another non-profit company but a ministry to fully support the needs of other her belief that she is living the Gospel as it should be lived out.

Whoever is kind to the poor lends to the Lord... Proverbs 19:17

Overview

Mike Reynolds Fretworks is a specialized service provider in the field of fretwork for electric, acoustic, and bass guitars. With expertise in general guitar repair and setup, Mike Reynolds' main focus is on fret replacement and fret leveling. Known for their attention to detail and precision, Mike Reynolds offers high-quality fretwork services to address common issues such as worn frets or fret buzzing. Clients can trust in their skills and experience to ensure that each fret is carefully installed or leveled to achieve optimal playability and performance. With a dedication to enhancing the playability and tone of guitars, Mike Reynolds Fretworks is a trusted choice for fretwork services in the industry.

All my years as a prototype machinist have served me well in my passion for working on guitars. I've got a very keen sense of precision and detail. I also love what I do. It's not a job to me. I look at my work as a reflection of myself.

I've found kind of a niche for myself in specializing in fretwork. Over time frets wear or come loose and cause buzzing. Having frets level, properly crowned and polished to a mirror finish makes an enormous difference in tone and playability.

The 3 types of material used to make fretwire are Nickel Silver, Stainless Steel and Gold EVO. Stainless Steel lasts almost forever before needing to be leveled again. It's extremely hard and adds a slight brightness to the tone. Gold EVO has a hardness factor between Stainless and Nickel Silver and also lasts a very long time. Nickel Silver is the traditional material used on most guitars. There are many sizes to choose from.

My rates are very affordable. I understand that musicians like many of us have a hard time just getting by. I look at what I do as sort of a community service for musicians. Please give me a call to make an appointment. We'll get that guitar playing the best it can be.

My name is Mike Reynolds.

I do complete fret jobs and fret leveling at a cost much less than that of any repair shop around. A Fender style with a built on neck will run about \$260 plus cost of materials for the new frets and complete set up. A fret level with set up is \$110. I also do acoustic guitars, bass and wiring on electrics but my main focus is fretwork.

I use Jescar brand fretwire. There are many sizes to choose from. It's by far the best quality and it comes in Nickel Silver, Gold EVO and Stainless Steel. There is an upcharge for the gold and stainless but the wear factor is worth the investment.

I'm a retired machinist with 35 years experience in the trade. I served my apprenticeship at NASA and spent most of my career at SLAC and have been building and repairing guitars for most of my adult life.

Turn around time is usually 3 to 4 days. If you're going to be without a guitar for that time I'll give you a loaner to use while I'm working on yours.

A new aftermarket neck from Warmoth, Allparts or any of the others always needs a good fret level and crowning to play and sound it's very best. The nut slots always have to be adjusted as well. The guitar will ring much clearer and resonate better after it's been properly worked on. Even new guitars will play and sound better with leveled and polished frets.

I can provide references for happy customers. Some work for or own local guitar stores. Many are working musicians. I also have guitars here that show the quality of work you can expect. I guarantee my work 100%.

— MARK

"Mike worked on my Gibson 276. He leveled the frets and then replaced the entire neck. When I picked it up, he felt the strings and said he could make any adjustments I asked for. After fixing my very old and stringless, he changed the strings and I was off. The guitar plays better than ever. Mike is honest and I can see the work in the labor of love. I have no hesitation in recommending him to anyone."

"Shamar prayer team family I am extremely grateful and blessed to be a part of the Shamar prayer team. I thank the Lord for letting me be a part of this awesome prayer group ministry. Every lesson has been beneficial and impactful in my life. Last before Session 3 (Calling Your Prayer Language) I was praying and asking the Lord to help me speak in my prayer language. Impactful and important prayer topics during that lesson I learned were that the Holy Spirit intercedes for us and the Lord desires for us to have more intimacy with the Lord. Also I learned when the Disciples were speaking in their Heavenly prayer language it was like a Holy Spirit flooding given to them by the Holy Spirit. The presentation by Michelle O'Brien was extremely helpful. Immediately after the session I spoke a little in my prayer language. I thanked the Lord and I even shared a little and prayed over Jennifer using my prayer language."

"Session 4 Overcoming Betrayal and it was equally as impactful to me. I learned to be vulnerable as the Spirit of Betrayal is daily combat with us at times and it targets the leadership of churches. Also the Spirit of Judas will flow in those closest to you and that discernment is needed to combat the Spirit of Betrayal. A great delivery by Andrew."

"Session 5 Confronting Pain Andrew and Denise delivered a impactful message and the message I learned that pain has different kinds that we have and deal with. The pain of losing a job is different from losing a family member or losing a pet. I also learned that we can overcome Soul Pain. And the enemy uses our pain to distract us. Things that I learned to do when we go through pain is to stay close to the Shepherd, and Stay Consistent in your love reading and worship."

"Session 6 Prayers Of Reconciliation Within Family another great presentation by Michelle I learned how that the Lord loves families. He made provision for us to be in relationship with us. Use the Hedge of Protection prayers for my family, friends and extended family members. I also learned that the Lord remembers the families name and that the Lord is involved in seeing families made whole and through Jesus Blood. We are signed sealed and delivered."

Prayer Point 1 - Encounter of Peace
Prayer Point 2 - Pray that they Experience the Lord's Goodness It Draws us more to Him rest by His side
Prayer Point 3 - Pray for God to show His mercy. He prefers that over Judgment.
Prayer Point 4 - Pray for a visitation from the Lord to your friends and family members that are unloved."

It all began with the statement, "You know you're adopted, right?" I was about 5 years old, it was 1980-something, and the only time I had ever heard the term "adopted" was in one of my favorite tv-shows at that time called Punky Brewster. You remember Punky- the orphan girl who desperately wanted to be adopted by Henry Warminton. In Punky's story, she was abandoned by her mother at a grocery store, and while squatting in a vacant apartment building, she was discovered by the landlord who took her in, and later decided to adopt her. And while my adoption story was nothing like Punky Brewster's, I grew up believing that being adopted also meant that at some point you were abandoned. And to be abandoned surely meant that you must have done something to deserve it.

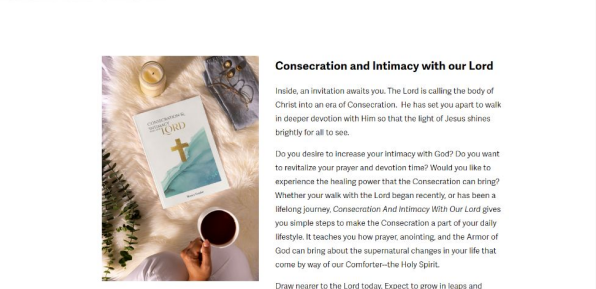

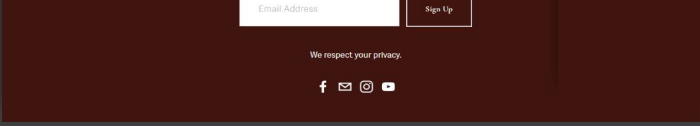

I carried this belief about my identity throughout most of my life. And this created space for fear to take residence in my soul. I feared that if I made a big enough mistake, the people that I loved would choose to walk away and wouldn't want to have anything to do with me anymore. And this stunted my ability to live. I wasn't free to explore my own likes and dislikes, my interests and passions, my talents and gifts. I was consumed with ensuring that everything I chose to do would be pleasing to the people around me- family and friends alike. I needed to please them so that they wouldn't find a reason to abandon me. Ugh! To hear myself say this hurts my heart because the 5-year old Janine believed this. And the 38-year old Janine believed it too. And it wasn't until very recently that I acknowledged how crippling the fear of abandonment had been throughout my entire life. And then, God...

And so I share this for all those people-pleasers who may have a hidden fear of abandonment taking residence in their souls. Stand up and declare once and for all that you will no longer allow this fear to choke the life out of your relationships. Put a spiritual eviction notice on the window to your soul and let that fear know that it is no longer welcome to squat in God's beloved temple.

Be strong and courageous. Do not fear or be in dread of them, for it is the Lord your God who goes with you. He will not leave you or forsake you. -Deuteronomy 31:6 ESV
